As the Professional Association for Chaplains and Educators in the fields of Religious Education (including Service-Learning and SRE/CRE) the Australian Association for Religious Education aims to:

- *promote Religious Education as an important part of the educational landscape.*
- *represent, support & promote the religious educator and co-operation & understanding among religious educators.*
- *facilitate the ongoing development of religious education and related fields within schools, universities and other educational institutions.*

Religious educators, chaplains & those who support the provision of religious education and chaplaincy in schools and universities are cordially invited to attend your Association's AGM and be treated to hear from The Youth Mission Team. Ideally, we seek at least one representative from each school.

During the short AGM you will:

- will hear about what the Association has been doing
- elect members to the 2023/ 2024 Committee and
- importantly hear about, and contribute, plans to celebrate 50 years as a National Association in 2024 and to make it the Year of the Religious Educator.

**Please consider offering yourself or nominating a colleague to serve on the AARE Committee.
Your Association will be stronger for your involvement. Simply register your interest with the Secretary.**

After the AGM, we are privileged to have the **Youth Mission Team** to share with us.

Hear about their ministry and how they might rejuvenate your staff and inspire your students.
