

## *Dear Brothers and Sisters,*

Not only is the world affected by the COVID-19 pandemic but there is an ever-growing attack on our Christian freedoms and values. The media is very anti-Christian and this makes it difficult and sometimes impossible for us to voice our opinions in the public arena.

“I have listed the following organisations that I know have a strong and trusted presence in the public arena and you may find these organisations can be a source of information on many issues that face our politicians, government authorities and big business”.

Please feel free to check these out and share with your friends and family and your church:

1. This prayer ministry is possibly the most powerful and informative ministry in Australia and I would encourage everybody to consider signing up:  
[www.ausprayernet.org.au](http://www.ausprayernet.org.au)
2. Parents can get free Christian resources to teach their children at home:  
[www.christiansre.com.au](http://www.christiansre.com.au)
3. Help and support available for Christian fathers: [www.dads4kids.org.au](http://www.dads4kids.org.au)
4. Great help for families and this group is very much at the forefront of standing up for Christian family values in the political arena: [www.familyvoice.org.au](http://www.familyvoice.org.au)
5. A big battle to save our children from being misled by so called ‘experts’ about their gender, and you can make a difference: [www.binary.org.au](http://www.binary.org.au)
6. This group lobby Governments and Big Tech to keep our children safe from pornography:  
[www.collectiveshout.org](http://www.collectiveshout.org)
7. Another strong Christian group that stands up for our Christian values in the Federal Government arena: [www.acl.org.au](http://www.acl.org.au)
8. The only fully committed Christian political party in NSW is the Christian Democratic Party and in November they will have a new leader Lyle Shelton who was the former Managing Director of the Australian Christian Lobby Group: [www.cdp.org.au](http://www.cdp.org.au)

I highly recommend these two organisations who are not necessarily overtly Christian but who take a very strong stand for our Christian values and are always informative:

Revelation 14:6 NIV *Then I saw another angel flying in midair, and he had the eternal gospel to proclaim to those who live on the earth — to every nation, tribe, language and people.*

May the Lord guide you as to which groups you can become involved with and please continue to pray for our country and those who are standing up for our Christian Values.
